1. In fall 1949, Road Construction Regt. [REDACTED] in Velka Strelna, District of Libava (P50/O 07), North Moravia. The regiment, commanded by Major Mraz (fnu), consisted of two battalions.
2. This regiment worked at the construction of military buildings. At that time two big gasoline and naphthataanks were built into the ground between the villages Smilov and Velka Strelna. Each tank had a capacity of 145,000 liters. Inasmuch as no railroad tracks led to the site it was assumed that the fuel would be transported by trucks.
